Romeo and Juliet is a tragedy written  
by William Shakespeare early in his  
career about two young star-crossed  
lovers whose deaths ultimately  
reconcile their feuding families. It was  
among Shakespeare's most popular  
plays during his lifetime and, along  
with Hamlet, is one of his most  
frequently performed plays. Today, the  
title characters are regarded as  
archetypal young lovers.
