'BRILLIANT . . . YOU CAN'T STOP READING' – ROBERT MUCHAMORE Fourteen years ago, scientist William Fox risked it all to achieve the impossible: he successfully implanted four babies the Medusa gene, designed to give the user psychic abilities. But Fox's experiment had some devastating consequences, so the babies were hidden away for years and the Medusa gene was heard of no more. Now the children are teenagers – and about to have their minds blown as their psychic powers kick in. Cocky, charismatic Nico thinks his emerging telekinetic abilities will bring him money, power and the girl of his dreams. He's about to find out just how wrong he is. And that new friends can often turn out to be snakes in the grass . . .

The third gripping installment in bestselling children's author Sophie McKenzie's MEDUSA PROJECT series – back with a bold new cover look! Fourteen years ago, four babies were implanted with the Medusa gene– a gene for psychic abilities. Now teenagers, Nico, Ketty, Ed and Dylan have been brought together by government agents to create a secret crime-fighting force: The Medusa Project. Since their existence became known to members of the criminal underworld, they have been hidden away in a secluded training camp in Spain, where their identities are being kept secret. Life in camp is hard enough, but then things take a turn for the worse. Ed is blackmailed into using his mind-reading powers – and in doing so he threatens to endanger the whole Medusa Project . . .

The FINAL nail-biting installment of The Medusa Project, from bestselling author of Girl, Missing, Sophie McKenzie! Meet Nico, Ketty, Ed and Dylan – four psychic teens who form the government-led crime-fighting force, The Medusa Project. But not for much longer . . . The team is due to be disbanded and the teenagers sent off to separate locations. But the Medusa teens are determined to investigate claims that a dangerous drug conveying the same powers as the Medusa gene has been developed. Joined by new friends Cal and Amy, the four set off on their final and most dangerous mission yet – by the end of which, nothing will be the same . . . When Theo discovers the father he thought died when he was a baby is still alive, he's determined to find him. The clues lead him to lonely Rachel, who has problems of her own, including parents who compare her unfavourably to her long-dead sister. But when Rachel and Theo are attacked by men from RAGE - the Righteous Army against Genetic Engineering - they are rescued by strangers and taken to meet a mysterious figure who leads them to make startling discoveries about their identities, which will affect their past, present, and future in dramatic and life-altering ways...

The second chapter in Sophie McKenzie's bestselling series, back with a fresh new cover design! Meet Nico, Ketty, Ed and Dylan – four psychic teens brought together by government agents to create the secret crime-fighting force The Medusa Project. After a narrow escape from the evil clutches of Jack Linden, the gang are back and the stakes are even higher. Ketty's brother Lex has stumbled into a dangerous game involving his boss and a hidden bomb. It's up to Ketty to save him without letting on what she knows to the rest of the team. But can

she control her psychic visions, and her feelings for Nico, without getting the team's cover – and herself – blown sky high?

The fourth gripping installment in bestselling children's author Sophie McKenzie's MEDUSA PROJECT series – back with a bold new cover look! Dylan, the daughter of the scientist who created the Medusa gene for psychic powers, has never felt she really fits into the crime-fighting Medusa Project. But then she makes a discovery about her father's death which changes everything. As she and the other Medusa teens search for the truth, Dylan meets Harry – a boy who seems to know more about Dylan's past than she does. But can Dylan trust him? While Dylan searches for the mysterious legacy that her father has left her from beyond the grave, her dad's killer closes in. But just how far is the murderer prepared to go to keep Dylan from finding out the truth?

The bestselling author of Close My Eyes returns with a chilling psychological thriller. Julia has always been the friend that Livy turns to when life is difficult. United fifteen years ago by grief at the brutal murder of Livy's sister, Kara, they've always told each other everything. Or so Livy thought. So when Julia is found dead in her home, Livy cannot come to terms with the news that she chose to end her own life. The Julia that Livy knew was vibrant and vivacious, a far cry from the selfish neurotic that her family seem determined to paint her as. Troubled by doubt but alone in her suspicions, Livy sets out to prove that Julia was in fact murdered. But little does she realise that digging into her best friend's private life will cause her to question everything she thought she knew about Julia. And the truth that Livy discovers will tear the very fabric of her own life apart.

Fourteen years ago, four babies were implanted with the Medusa gene - a gene capable of creating psychic abilities. Now teenagers, Nico, Ketty, Ed and Dylan have been brought together by government agents to create a secret crime-fighting force - The Medusa Project. But the lives of these four special teens are in extreme danger because, since their existence was uncovered, there are some people who will stop at nothing to see them destroyed... Fast-paced, thrilling and full of action, this ebook collection includes The Set-Up, The Hostage, The Rescue, Hunted, Double-cross and Hit Squad.

'Page-turning' The Independent 'Sophie's thrillers are brilliant ... you can't stop reading' Robert Muchamore, bestselling author 'Sophie McKenzie's the queen of nail-biting and addictive reads. I just can't get enough.' Amy McCulloch, author of The Potion Diaries The gripping sequel to the bestselling, award-winning Girl, Missing. It's two years after the events of Girl, Missing and life is not getting any easier for sixteen-year-old Lauren, as exam pressure and a recent family heartbreak take their toll. Hoping some time together away from everything will help, Lauren's birth mother takes Lauren and her two sisters on holiday, only for tragedy to strike again when one of Lauren's sisters disappears, under circumstances very similar to those in which Lauren was taken years before ... perhaps too similar to be a coincidence. Can Lauren save her sister, and stop the nightmare happening all over again?
