When Sluggo cruises online chat rooms, he isn't looking for a hook-up; he's looking for love. But love has a way of being elusive, especially when you're not being honest. Presenting himself as "Sir Raven," Sluggo promises his chat room cohorts he's the "master of the night." And then he meets someone who challenges him -- someone who claims the title "master of the night" as his own.

TepesAllure's enigmatic and

As the night unfolds, so do the advances of TepesAllure ... and even when Sluggo tries to escape, he finds that getting out is not nearly as easy as getting in. Prince Allen has trained his entire life to follow in the footsteps of his illustrious mother, who has made their kingdom one of the wealthiest and most influential in the empire. For the past few years he has trained to become the new consort of the High King. The only thing no one prepared him for was the stubborn, arrogant High King

himself, who declares Allen useless and throws him out of court. High King Sarrica is ruling an empire at war, and that war will grow exponentially worse if his carefully laid plans do not come to fruition. He's overwhelmed and needs help, as much as he hates to admit it, but it must be someone like his late consort: a soldier, someone who understands war, who is not unfamiliar with or afraid of the harsher elements of rule. What he doesn't need is the delicate, pretty little politician foisted on him right as everything goes wrong.
