Preparing for and doing well on the USMLE Step I are essential requirements on the road to becoming a practicing physician. The skills needed for preparation and execution on multiple-choice tests have little to do with the day-to-day practice of medicine but are necessary hurdles that you must overcome to advance on your medical career. This task is not insurmountable; there have been many ahead of you.

United States Medical License Examination (USMLE) is a three-step examination. It is mandatory for all medical graduates in order to get residency and to practice medicine in the United States of America (USA). You should pass USMLE Step 1, Step 2 CK and Step 2 CS to be qualified to apply for residency in the USA.
