Home - Valuable Content

Enter content marketing. Content marketing is a strategic marketing approach focused on creating and distributing valuable, relevant, and consistent content to attract and retain a clearly defined audience \u2013 and, ultimately, to drive profitable customer action.

What is Content Marketing?

Choose the right content type. For example, if users have an "aha" moment when seeing something sketched, use a video or a slideshow instead of written text. Create personas for your different user audiences, and match the level of the content's complexity to the user's ability to understand it. Always provide context.

How your valuable content calendar will help. A content calendar is a vital content marketing planning tool that your whole team can share, helping everyone to see what content is coming up, what it's for and how it's going to pan out in the months ahead. A content calendar is not your content strategy (the strategic content thinking should come first) but it's a simple and practical way of putting your strategy into action.
